PESTICIDE PROPOSAL PURSUED SAYS MARCH FONG EU

SACRAMENTO -- Two Butte County men have launched an initiative drive to reduce the use of pesticides, Secretary of State March Fong Eu announced today (Feb. 28).

The Pesticides Initiative, a statutory amendment needing 346,119 registered voter signatures, is sponsored by David Gallo of Chico, telephone (916) 343-6922, and William Mace, telephone (916) 877-0273. They have until May 1 to circulate petitions for the November ballot, or until July 25 if they choose to use all 150 days and wait for another election ballot.

Their amendment to the Agricultural Code would "provide that effective January 1, 1981, the Director of the Dept. of Food and Agriculture shall prohibit or regulate the use of economic poisons, restricted materials, and environmentally harmful materials so as to permanently reduce the aggregate state-wide usage of such substances to a level not to exceed two hundred million applied pounds per year, giving particular attention to those pesticides which are known to accumulate in human and animal tissues."

A copy of the title and summary, text, and circulation calendar is attached for your reference.
